

READING NOTES

Date: _____

Title: _____

Author: _____

Subject: _____

Author background:

*(What do they do? What is their expertise?
When did they write this text?)*

Reading objectives:

(Why am I reading this? What do I want to understand?)

Key points:

(What are the text's main points? Are there any important quotes to reference e.g.: page numbers?)

Summary of text:

(In your own words, what do you remember from the text in general?)

READING NOTES

Further notes:

- What **questions** do you have that have arisen from what you have read?
- What **issues** do you think would make a good discussion topic?
- What **points** do you need further clarification on?
- How does this link to any **previous reading/topics studied**?
- What **further reading** should you do?

The diagram features a central blue question mark. Five blue arrows radiate from it to five rectangular boxes, each with a blue border and horizontal lines for writing. The boxes are arranged as follows: 'Questions:' (top-left), 'Issues:' (top-right), 'Points:' (middle-left), 'Further reading:' (middle-right), and 'Previous reading/topics covered:' (bottom-center).

Questions: _____

Issues: _____

Points: _____

Further reading:

Previous reading/ topics covered: _____
